E-News Update

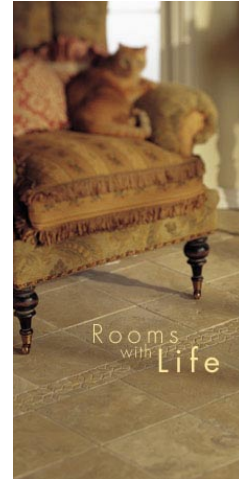

American Olean Expands On-line Resources

We highly recommend you visit American Olean's web site soon!

Louisville Tile is pleased to announce important new on-line capabilities for this trusted brand.

American Olean has introduced web-based resources that you and your customers will find very useful. Key additions are on-line ordering sampling and advanced virtual design tools.

To access the site:

- *Click or paste the following link in your browser:
<http://www.americanolean.com>*
- *Select either commercial or residential products.*
- *Click the 'Design Corner' option to experience new capabilities.*
- *Note the handy on-line sample ordering option on the left-hand side of the screen.*

With such advanced resources, American Olean plays a vital role in the prestigious mix of products offered by Louisville Tile.

We'll be in touch again soon with more important news.
Thank you for partnering us!

Louisville Tile's mission is to be a trusted partner to our customers, a family for our employees, a friend to our community and a leader in our industry.
